## Parents of enrolled children,

If it has been 1 year since you updated your records with us, please do so NOW.

**\*\*\*Go to [www.projectangelhugs.com](http://www.projectangelhugs.com), click the ENROLLMENT tab and then click the UPDATE button.**

We are looking for updated information on what your child likes, their favorite things and also any updates you have on siblings under age 15. Address change updates are VERY important.

It is important we have current info on kids in the program so we are able to send the very best boxes possible. It makes our hearts happy when notes from parents state that we "hit the mark" on all of the gifts sent! Only you can give us the information we need to do our very best!
